

Our job is to
take care of
the critical
details.

**Yours is to take
the long view.**

For public companies like yours, complying with U.S. Securities and Exchange Commission requirements is both necessary and complicated. When you select Continental Stock Transfer & Trust Company, you get a full-service, SEC-registered EDGAR filing agent with the expertise to carry you through regulatory requirements quickly and accurately, freeing you to take care of business.

A full suite of EDGAR and related services

Offering you filing solutions that will meet your specific needs, our experts work directly with you, your attorneys and your audit teams to execute the services you require to meet SEC reporting regulations. Available 24/7, we pride ourselves on our reputation for the highest quality work, deep industry experience, cost effectiveness and responsive, supportive relationships with our clients.

We provide:

Electronic Data Gathering, Analysis and Retrieval (EDGAR) Filing

Our expert EDGAR personnel bring their knowledge and attention to detail to the complex task of filing Form 10-Q, 10-K and other SEC documents. The forms we file include, but are not limited to:

- Reports (10-Q, 10-K, 6-K, 8-K, 20-F)
- Registrations (S-1, S-2, S-3, S-4, S-6, S-8, 424)
- Proxies (14A, 14C)
- Ownership Reports (Forms 3, 4, 5)
- Forms 144, SC13D, SC13G, 13F

eXtensible Business Reporting Language (XBRL) Reporting

The SEC requires that reports of securities holdings and transactions be submitted in a tagged format. Our accounting specialists use interactive data

taxonomy to tag financial information that is provided as exhibits to periodic and current reports, registrations and other documents requiring XBRL reporting.

Typesetting and Printing

With our single-source typeset system, we can substantially reduce the time it takes to produce typeset documents conventionally, as well as simultaneously publish to EDGAR, HTML, bookmarked PDFs and high-quality, formatted Microsoft Word files.

Newswire Service

We quickly and cost-effectively disseminate corporate press releases and financial disclosures, as well as multimedia content, to the media, the investment community and the general public.
