The Expertise You Need

We offer direct access to our top-tier experts and guarantee that your account will be serviced by a team that has handled some of the industry's largest and most complex transactions. In addition, every critical transfer agent function is done in-house by domestic-based operations, which means there are no added fees. We offer personalized telephone service by our knowledgeable team to ensure quality and thoroughness.

Economic Value You Want

We use a flat fee model, which includes pass-through out-of-pocket fees. For 10 years straight, we have been recognized as the value leader in industry surveys. We do not attempt to increase revenue by charging our clients on a per-request basis or by selling unnecessary services.

Customized Offerings

In addition to fundamental corporate action and reorganization offerings, Continental Stock Transfer & Trust brings you a comprehensive set of services from which to build your perfect solution.
